This easy pattern is the perfect way to frame that gorgeous panel that stopped you in your tracks!

Choose a palette of fabrics to complement it, and let's get started on something simply beautiful!

Fabric Preparation & Cutting

Heat-n-Bond Lite

- Cut (2) strips 1½" x 44"

Center Panel

- Trim to 18½" x 24½"

Even if you do not usually pre-wash, at least pre-wash the Panel.

White

- Cut (8) 2" x WOF strips

Novelty Print

- Fussy-cut (18) 3½" squares: Shape A

Light Blue

- Cut (2) strips 2" wide
- Sub-cut (18) rectangles 2" x 3½": Shape B

Pink

- Cut (2) strips 2" wide
- Sub-cut (18) rectangles 2" x 3½": Shape B

Light Green

- Cut (2) strips 3½" x WOF

Yellow

- Cut (2) strips 3½" x WOF

Dark Blue

- Fuse (1) 1½" strip of Heat-n-Bond Lite to fabric
- Cut (1) ¾" strip from the fused fabric
- Sub-cut (36) ¾" x ¾" squares: Shape C

Dark Green

- Fuse (1) 1½" strip of Heat-n-Bond Lite to fabric
- Cut (1) ¾" strip from the fused fabric
- Sub-cut (36) ¾" x ¾" squares: Shape C

Purple

- Cut (4) 1½" x WOF strips for Inner Border

Large Print

- Cut (4) 2½" x WOF strips for Outer Border

Binding Fabric

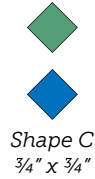

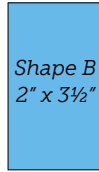

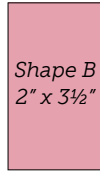

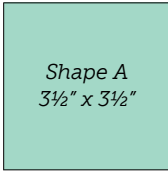

- Cut (5) 2½" x WOF strips
- Join to create one strip, at least 116" long, for Binding

If the trimmed Panel is too small after washing & pressing, add Coping Strips:

Using the Large Scale Print, cut 2 strips 1½" x WOF from leftover fabric...you'll have plenty! Attach the strips to sides, top and bottom to bring the size of the Panel to size, trimming as needed.

Starting with a larger fused strip helps keep these small pieces from fraying.

Finishing

- Layer the quilt top, batting and backing.
- Quilt as desired! I echo-quilted the Panel area, outlining the motif with flowy, freehand lines of stitching. The pieced areas are quilted in a simple stipple. Let me know how you quilt yours!
- Bind using your favorite traditional method.
